Mail Stop Issue Fee  
Commissioner for Patents  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Office Communication mailed January 30, 2006, Applicant resubmits the references listed on the attached form PTO-1449. In the Office Communication, the Examiner stated that the five previously submitted Japanese English abstracts could not be considered because the actual Japanese patents were not attached. The Examiner also stated that the German Patent 28 51 602 was not considered because our statement merely stated the obvious.

Applicant has enclosed copies of all five Japanese patent applications including the English abstracts. Applicant has also enclosed the German patent application referenced including an English translation.

Applicant respectfully requests that the Examiner reconsider the art previously submitted. Applicant notes that this case has received a Notice of Allowance and the issue fee is coming due

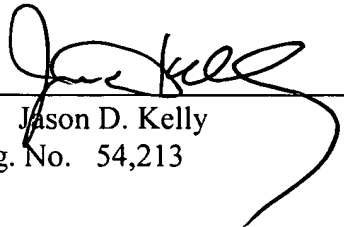

on March 2, 2006. Applicant respectfully requests that the Examiner return the initialed Form 1449 to Applicant as soon as possible.

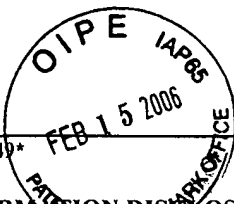

It is believed that no fee is due for submitting this art. Please apply any other charges to Deposit Account No. 50-1778.

Respectfully submitted,
